	YEAR ONE	YEAR TWO	YEAR THREE	YEAR FOUR	YEAR FIVE
Annual Endowment Contribution	\$20,000	\$40,000	\$60,000	\$80,000	\$100,000
Estimated Spend Policy	N/A	\$1,600	\$2,400	\$3,200	\$4,000

Additional tax-efficient ways to give now include:

Donor-Advised Funds (DAFs):
 Operating like charitable savings accounts, DAFs give the flexibility to recommend how much and how often money is granted to qualified charities.

Appreciated Securities & Mutual Funds:
 Gifting publicly traded securities held for more than one year offers great tax advantages!

Qualified Charitable Distributions (IRA Charitable Rollovers):
 If you are 70.5 years or older, you qualify for this special opportunity. You can give up to a maximum of \$100,000 per year from your IRA directly to a qualified charity without having to pay income taxes on the money.
